

Junior Golf Philosophy

At Mill Run Golf Club our goal is to give encouragement to junior golfers in a fun-filled setting. With the large array of options that Mill Run offers to junior golfers, we feel that Mill Run is the perfect place to learn to play, as well as focus on refining golf skills. The PGA of Canada Golf Professionals on site are trained in working with junior golfers specifically through the PGA's Long Term Player Development program.

Our programs focus on building confidence, having fun, and refining the fundamentals skills of golf. Our goal at the end of the day is to have our junior golfers feeling as they are an important part of the Mill Run environment.
